

Procedure of Installation of Security Certificate

Step 1 : Please open your browser and type the address <https://www.wbregistration.gov.in>. Following warning will come for the first time.

Step 2 : User has to press the option "Continue to this website (not recommended)" to open the website, After that user can install the security certificate using the button "Please click to Install Security Certificate" to avoid security warning next time.

The screenshot shows a Windows Internet Explorer browser window displaying the website <https://www.wbregistration.gov.in/index.aspx>. The browser's address bar shows a "Certificate Error" warning. The website content includes a navigation menu on the left, a central banner with a map of West Bengal and registration documents, and a "Citizen Services" section. A red box highlights a button that says "Please click to Install Security Certificate". A red callout box with the text "Right Click on this Link" points to a link in the "e-Requisition for Deed Registration" section. The browser's status bar at the bottom shows the URL <https://www.wbregistration.gov.in/certificates/Chain-2011.p7b>.

Step 3 :

The screenshot shows the website <https://www.wbregistration.gov.in/index.aspx> in Internet Explorer. The browser title is "Dicrectorate of Registration and Stamp Revenue - Windows Internet Explorer". The address bar shows the URL and a "Certificate Error" warning. The page content includes a "Menu" on the left, a "News / Events" section on the right, and a central "Citizen Services" section. A red box highlights a link in the "Citizen Services" section, and a context menu is open over it with "Save Link As..." selected. The context menu options are: "Open Link in New Tab", "Open Link in New Window", "Bookmark This Link", "Save Link As...", "Copy Link Location", and "Inspect Element (Q)".
